- C. *Except where the abbreviated administrative review procedures apply as set forth below, administrative reviews will be conducted as follows:*
1. The SDE must give notice of action being taken or proposed, the basis for the action, and the procedures under which the institution and the responsible principals or responsible individuals may request an administrative review of the action. Notice shall be given to the institution's executive director and chairperson of the board of directors, and the responsible principals and

responsible individuals by certified mail, return receipt requested and shall include a statement that the institution has the right to an administrative review. As used herein, "Appellant" means a participating institution or agency, or its responsible principals or responsible individuals, as appropriate under the circumstances.

2. The written request for review shall be filed by the appellant not later than 15 calendar days from the date the appellant received the notice of action, and the State shall acknowledge the receipt of the request for appeal within 10 calendar days;
3. The appellant may refute the charges contained in the notice of action in person and by written documentation to the review official. In order to be considered, written documentation must be filed with the review official not later than 30 calendar days after the appellant received the notice of action. The appellant may retain legal counsel, or may be represented by another person. A hearing will be held by the review official in addition to, or in lieu of, a review of written information submitted by the appellant only if the appellant so specifies in the letter of request for review. Failure of the appellant institution's representative to appear at a scheduled hearing shall constitute the appellant institution's waiver of the right to a personal appearance before the review official, unless the review official agrees to reschedule the hearing. A representative of the State Agency shall be allowed to attend the hearing to respond to the appellant's testimony and to answer questions posed by the review official;
4. If the appellant has requested a hearing, the appellant and the State Agency shall be provided with at least 10 calendar days advance written notice, sent by certified mail, return receipt requested, of the time and place of the hearing;
5. Any information on which the State Agency's action was based will be available to the appellant for inspection from the date of receipt of the request for review;
6. The review official shall be an independent and impartial official other than, and not accountable to, any person authorized to make decisions that are subject to appeal under the provisions of the section;
7. The review official shall make a determination based on information provided by the State Agency and the appellant, and on Program regulations;
8. Within 60 calendar days of the State Agency's receipt of the request for review, the review official shall inform the State Agency and the appellant of the determination of the review;
9. The State Agency's action shall remain in effect during the appeal process. However, participating institutions and facilities may continue to operate under the Program during an appeal of termination, unless the action is based on imminent dangers to the health or welfare of children. If the institution or facility has been terminated for this reason, the State Agency shall so specify in its notice of action.
10. The determination by the State review official is the final administrative determination to be afforded to the appellant;
11. In cases where an appeal results in the dismissal of a claim against an institution which was asserted by the State Agency based upon Federal audit findings, FNS may assert a claim against the State Agency in accordance with the procedures outline in Part 266.14(c)
12. *Abbreviated Appeals Procedure: 7 CFR 226.6(9)* – The State Agency must limit the appeals to a review of written submissions concerning the accuracy of the State Agency's determination if the
